It is almost time for Life Groups to start for next year. We are working on new ideas for our Life Groups.

We need to start with locations and facilitators.

What is needed to host a life group? A desire to have people in your home, most groups will have 10-12 people in them. We can do our best to adjust your situation to a group.

Facilitators need to be able to lead discussion, not preach or teach, just facilitate. You do not have to know all the answers to lead a group. A love for God and His people is the most important quality needed.

If you would like to serve God in one or both of these ways please call or email the church office. You can also call, text, or email Jason at 794-3804 or cypressvet@bellsouth.net.

Also let us know if you have questions about either of these opportunities.

We will have more information in the weeks to come.

In Him,
Jason.
